

## WE MOVED!

We are excited to share that at the end of March we closed the sale on our home of 11 years and were able to move into a friend's house. We will be staying there until June 17th (the planned date for Curtis, Bridget and Lucas to move to Honduras). Ashley will be able to travel with the family when they move down for the first week but will return to the States after that to complete a project at work.

We were so blessed to have friends and family by our side on moving day. As we walked through our empty home we looked back at all the memories we made there, all the things we had done and thought about all the plans that we had made for the future. With all change, both good and bad, there is loss. We were able to, with our friends and family with us, feel the loss BUT then look forward to the future with excitement.

### **A few upcoming dates to remember:**

## Giving Report

With the final moving day for Curtis and the kids approaching we are looking to bridge the gap in monthly support pledges (just under \$200/ month-10%) to our goal of \$2,000/month. These monthly funds play an important role in our ministry as it will support our family's monthly expenses (food, electricity, water, gas, etc.) so we can do the work we have been called to do. ANY amount makes a difference!

**You can financially support us in a couple of different ways:**

You can go to our missions page [HERE](#) and become a monthly supporter OR you help us with a one time gift.

(Missions page: <https://www.modernday.org/profile/kettnerfamily/>)

You can also visit our merchandise store [HERE](#) to purchase some of our apparel. A percentage of every purchase goes to our family's mission fund!
